

Dear Tony & Family.

Just to thank you so much for providing me with such a beautiful venue to hold my celebration. The boat + all that you have done to it was fantastic.

The food was fantastic also + the service in the bar couldn't have been better. All in all you enabled me to have a memorable evening + all my guests went away feeling exactly the same way.

So many thanks to the three of you.

Dear Sarah and Tony,

Thank you

so much for the lovely romantic cruise to our wedding, you gave us unforgettable memories. Your service was fantastic from your advice through to the experience of the day.

Wow

On behalf of Metso I would like to thank you and your family for making our corporate event such a success.

All my colleagues and our customers, who attended, have commented on what a great evening they had, how lovely the boat was and on the delicious buffet.

I am sure we will repeat the event next year and this time I will make sure that I attend too!

Many thanks and best regards.

Thanks very much for putting the perfect end to our perfect wedding day. Everyone enjoyed the boat trip so much, more so than having the evening reception in a Hall. It was very special. The food was lovely and all the guest commented on how good the DJ's were, which they were great ^{music}. Chris and me will grow older thinking how special you made our evening.

Thanks again

Dear M^r & M^s Cheesman + Daughter
I am

writing to say that my daughter Sonia and myself thoroughly enjoyed the trip up river 6.30pm to 9.30pm 19th July. We agreed that the price with picnic box free tea or coffee and fruit etc was very good. We have taken your brochures to give to friends. A mention to Sara who we thought worked very hard. Well we hope to carry on having more boat trips at another venue some time.

All the best for the future
