

Wow what a night,

I would like to thank you all for making my 40th Birthday party on Saturday night so memorable.

All my family and friends that were there said that it was such a fantastic evening and what a great setting, they loved it.

The catering was top class and everybody commented on how good the food was.

Absolutely brilliant. Many many thanks once again

To Sara, Mum, Dad, Barman
and all the other helpers, thanking

trouble for whatever the request.

Dear Sara and Family,

Thankyou for letting us travel free
on the boat trip on Saturday.

We learnt a lot about what we saw
along the river, from the captain.

It was a lovely sunny day and we
thoroughly enjoyed ourselves.

You are very kind and we very
much appreciate it.

Lots of Love,

Emily

I'm writing to let you know that we had an awesome time celebrating our civil partnership on the Kentish Lady last week. It's the first time we've used your service and we loved every minute of it. In fact, you really made our day.

Everything was just so perfect and we can't wait for another excuse to have another party on board the Kentish Lady. You all did us proud – so warm and friendly – and all of the guests have been saying what a nice venue it was to have a celebration. Mum can't wait until the next party though – she's bringing some old dears up to your evening picnic cruise soon!

Can you also pass on our thanks to the two bar crew who everyone says were so friendly. Thank you so much for making the evening so perfect for us.
